Katharine Hepburn: From Hartford to Hollywood

***A traveling
presentation
from the***

**Connecticut Historical Society
museum & library**

With a stage and film career that spanned six decades, Katharine Hepburn is an American icon. Born and raised in Connecticut, Hepburn's career on stage, in film and television reflected the changing role of women in American society. Challenging the norms of the day, she took control of her image and identity by establishing a unique sense of style, which influenced countless women, fashion designers, and the informal, elegant approach to American style that continues to resonate today. The story of her life-long ties to Connecticut offers a complete picture of how Hepburn became the woman and the star she was.

***This presentation will link her career and legacy
to her roots in Connecticut and how she achieved
her truly extraordinary legacy.***
