

**Saturday, January 18  
5pm**

**Join in the fun as we host  
The Last Green Valley's**

## **Mars Watch Party**

**Outdoor viewing of the red planet  
that will appear larger and brighter  
for only a few weeks.**

**Learn to identify many of the  
constellations in the January sky through  
telescopes, then warm up inside the  
museum with hot chocolate and treats**

**This free event is presented by  
The Last Green Valley,  
open to the public**

**Rain/snow date is January 25**
